## GENERAL ORDER.

*Horse Guards, 21st March, 1851.*

The Queen having been pleased to signify her assent to a measure, which has been proposed by the Court of Directors of the East India Company, of granting a Medal to the surviving Officers and Soldiers of the Crown who were engaged in the Services in India enumerated in the accompanying list :—

Officers and Soldiers, who consider that they may have a claim to receive such Medal, are each to apply,—the General Officers, through the Secretary of the Commander-in-Chief of the Army;—

The Staff Officers, through the General Officers under whom they served,—if alive,—if not alive, through the Adjutant General of the Army;—

Officers, Non-Commissioned Officers, and Soldiers of Her Majesty's regiments, battalions and detachments, through the Commanding Officer of the regiment, battalion, or detachment, at the time, if still alive. This will be known by enquiry at the agents of the regiment resident in London. If such Commanding Officer should not be alive, the application in writing must be made through the Adjutant General of the Army.

The Board of General Officers is hereby, by Her Majesty's Command, directed to take into consideration,—to investigate,—the facts stated in each of these several applications, and to report to the Commander-in-Chief upon the same, for the information of Her Majesty, in order that the Medals may be delivered to the Claimants accordingly.

The Adjutant General, and the Military Secretary to the Commander-in-Chief, will transmit to the Secretary to the Board of General Officers such information as they may have been able to acquire, to assist in the investigations which the Board will have to make; and Her Majesty has been graciously pleased to command that the departments of the Secretary at War, and of the Paymaster General, may furnish to the Board such information as the records of those Departments, respectively, can furnish, of the names of those serving with the Troops of the Crown in India at the periods of the several achievements specified.

The Commander-in-Chief has been required to desire, that the Board of General Officers will have alphabetical lists made out of the names of the claimants to one of these Medals, together with their rank, and the names of the particular battles or sieges at which they may have been present.

It having moreover been represented to Her Majesty, that the Officers and Soldiers of the Crown who were engaged in the Mysore War, and at the siege of Seringapatam, have already received Medals from the East India

Company for those services, Her Majesty has further been graciously pleased to permit the same to be worn by them with their uniforms.

## CIRCULAR.

*War Office, 21st May, 1851.*

SIR,

I HAVE the honour to transmit to you herewith a copy of the Queen's gracious Warrant, dated the 8th Instant, for extending to the Serjeants and Staff Serjeants of Her Majesty's Army, in the event of their reduction from such Rank, the same privileges in regard to Good Conduct Pay and Distinctions as, with the requisite absence of their names from the Regimental Defaulter Book, they would be entitled to claim had their previous Service been wholly rendered in any rank inferior to that of Serjeant.

Her Majesty's Pleasure, under the conditions expressed in the Warrant, is to have effect from and after the date thereof, and such claims, under its provisions, as may properly arise on the part of Soldiers who have been since reduced from the rank of Serjeant or Staff Serjeant, are to be stated in the appropriate Form, and forwarded for my consideration with the usual certified copies of the Records of the Services of the Claimants, and with a separate certificate from you, in the case of each, specifying every successive date on which his name has been necessarily entered in the Regimental Defaulter Book. It will also be requisite, when the the Claimant was enlisted before 1st September, 1836, and has not hitherto relinquished his right to additional Pay for length of Service, that his Declaration of such relinquishment should duly accompany his claim for Good Conduct Pay.

I have the honour to be,

Sir,

Your obedient Servant,

F. MAULE.

The Officer Commanding  
Regiment of

VICTORIA R.

WHEREAS by Our Royal Warrants of the 19th December, 1845, and of the 1st July, 1848, it is declared that the Distinction and Rewards for Good Conduct do not extend to Serjeants and other Non-Commissioned Officers above the rank of Corporal: AND WHEREAS, it has been represented unto Us, that it would be just that such Non-Commissioned Officers, if reduced to the ranks, should derive some advantage from their former Good Conduct, Our Will and Pleasure is, that every such Non-Commissioned Officer hereafter reduced, who has not been sentenced by Court Martial to

forfeit all, or any part of the advantage of Good Conduct Pay, which might have accrued from his former Service, may be allowed to reckon his Service as a Non-Commissioned Officer, as Good Conduct Service, and in addition to his Pay as a Private he shall be allowed the rate of Good Conduct Pay, which, with such Service, he could have claimed as a Corporal or Private, in consequence of absence from the Defaulter Book ; but if such Non-Commissioned Officer be reduced by the Sentence of a Court Martial, he shall be subjected by such reduction to the forfeiture of One Penny a day of such calculated Good Conduct Pay, for One Year, for the Offence for which he was reduced.

AND WHEREAS, Our Royal Warrant of the 1st July, 1848, requires that a Non-Commissioned Officer shall have served without interruption as such, for Three Years immediately preceding his discharge, to entitle him to the prescribed additions to his Pension as Private, for his Service as Non-Commissioned Officer, it is Our further Will and Pleasure that Non-Commissioned Officers who shall be hereafter discharged, having served as such uninterruptedly for One Year, or more, immediately preceding their discharge, shall have the option of having their Pensions computed as Privates, with the addition of Good Conduct Reward reckoned as above mentioned, or of having their Pensions computed as Privates with the additions for Service as Non-Commissioned Officers prescribed by Our said Warrant of the 1st July, 1848, but the maximum Pension shall not, under either computation, exceed the maximum Pension fixed by Our said Warrant.

Given at Our Court at St. James's, this Eighth day of May, 1851, in the Fifteenth Year of Our Reign.

By Her Majesty's Command.

F. MAULE.
